Quotes from the Festival Yesterday:

“The country is becoming more diverse, and the Republican Party can and should do better. We have more responsibility to attempt to do better among nonwhite voters, which includes Indians, Norwegians, and grumpy people.”
—Karl Rove

“To the question, is Pakistan the most dangerous place in the world? The answer is yes. But it's not their fault.”
—Stanley A. McChrystal

“I think there is an exaggeration that entrepreneurship can solve everything, and it has led to a distortion of what entrepreneurs need.” —Gov. John Hickenlooper

“Most of the time, it takes that supportive father or brother to say, ‘yes, you go to school, and I will fight whatever people in the village want to say about you.’” —Shabana Basij-Rasikh
